About Our NEB Class 11 Nepali Notes (2082/2083):

Nepali is a crucial part of the NEB curriculum as it is a compulsory subject for all students. Note Swift provides comprehensive study materials for the Class 11th Nepali syllabus, adhering to the latest NEB guidelines. Our resources help students thoroughly revise the texts, offering solutions for the NEB-prescribed books. These solutions are crafted by our experienced experts and align strictly with NEB standards.

Education seeks to impart knowledge to students and establish a connection between learning and real life. It integrates modern knowledge, skills, information, communication technology, and promotes self-reliance and business-oriented skills.

Education aims to prepare citizens who respect nationality and national ideals, adopt socially acceptable conduct and work culture, and possess a tolerant attitude. With these goals in mind, this textbook has been developed based on the spirit of NCF 2082/2083 and the Secondary Level Curriculum 2082/2083 (Grade 11 and Grade 12).

Know About Note Swift

Note Swift is a Nepali EdTech platform built to make quality education accessible, affordable, and future-ready for students under the NEB curriculum. We provide a complete digital learning ecosystem with handwritten notes, live online classes, PYQs, mind maps, flashcards, formulas, assignments, and smart tools through our website and mobile app. Note Swift is designed to be a one-stop academic solution for Nepali students who want clarity, confidence, and consistency in their studies.

We Stand Out Because

We blend traditional teaching values with modern technology. Our focus is not just on finishing the syllabus, but on building strong concepts and real understanding. With experienced and passionate educators, Note Swift ensures every student, regardless of background or location, gets equal access to quality learning. We believe education should be empowering, practical, and inclusive.

Our Key Focus Areas

Note Swift's primary focus is supporting NEB students with reliable, exam-oriented, and easy-to-understand resources. From daily live classes to structured notes, previous year questions, formulas, and revision tools, we streamline preparation into one simple

platform. Our mission is to make learning smarter, not harder, and help students stay ahead academically.

What Makes Us Different

Note Swift delivers a complete, student-first learning experience. We combine handwritten-style notes with digital convenience, live interaction, and affordable pricing. Unlike traditional platforms, we are deeply aligned with Nepal's education system and student needs. Our approach is practical, localized, and impact-driven, ensuring students don't just study to pass, but study to grow.
