NEB Class 11 Social Studies Curriculum Framework

(Class 11 Social Studies)

The curriculum for Class 11 Social Studies is designed to be highly interactive and relevant to the modern world. It encourages students to look beyond textbooks and connect classroom learning with real-life situations. For instance, when studying the unit on Economy and Development, students learn about Nepal's economic pillars like remittance and agriculture, while also understanding the dynamics of global economic trends. Similarly, the unit on Constitution and Civic Sense equips them with the knowledge of their rights and duties, fostering a culture of democratic participation. This holistic approach makes Class 11 Social Studies a cornerstone for higher education in fields like humanities, law, journalism, and public administration.

Furthermore, the inclusion of life skills education makes this subject uniquely practical. It addresses contemporary challenges such as managing stress, effective communication, and responsible use of social media. By integrating these skills, the course aims to develop well-rounded individuals who can navigate personal and professional challenges successfully. A strong foundation in Class 11 Social Studies not only ensures good grades but also empowers students with the confidence and wisdom to contribute positively to their communities and the nation. These notes serve as a comprehensive resource to master the concepts and excel in the examination.
